

2025 Recap

HOWE X HOWE

THERMITE®

WELCOME TO THE THERMITE® NEWSLETTER

Welcome back to the Thermite Newsletter! As we begin 2026, we wanted to share some of the most exciting Thermite firefighting robot news throughout 2025. Stay tuned for some exciting updates on the Thermite platform!

For real-time updates on everything Thermite, be sure to follow us on social!

THERMITE IN UKRAINE

Our team traveled to Ukraine, bringing our Thermite RS3 to demonstrate, test and train with the State Emergency Service of Ukraine (SESU) and the Lviv State University of Life Safety.

TRAINING IN TAIWAN

Our team traveled to Pingtung, Taiwan to provide operational training on the Thermite RS1 to a Special Rescue team. We had a fantastic time teaching advanced operations - the group used proven successful in this hands-on demonstration and training.

KANSAS CITY- RS3 DELIVERED

Kansas City purchased a classic red RS3. This robot was used as a demo unit for the Ukrainian firefighters and was used in our photoshoot at IFSI for our FDC social media videos. This robot has been deemed 'the globetrotter' due to the incredible travel schedule it had earlier this year. Take a look at the unit in our FDC social media post below.

STEM & ROBOTICS SHOW

We were honored to have our vehicles, including our Thermite firefighting robot, on display in the STEM/Robotics area at the Blue Angels Air Show in New Hampshire.

FDIC 2025

Our team had a blast at this year's FDIC 2025! It was great getting to see old friends and make new connections, and we look forward to continuing this at shows in 2026!

IN THE NEWS

In December, the Kansas City Fire Department tackled a major fire at a lumber transfer depot. The KCFD had their Thermite join the fight to extinguish hot spots and keep firefighters safe.

COMING SOON

Stay tuned in 2026 for even more incredible ways Thermite is supporting the community and keeping our firefighters out of danger!
